

Trilateral Youth Coaches' Online Exchange 2021

“Handball for Sustainable Development”

First virtual international exchange in developmental youth work that uses sport as an educational tool to achieve developmental goals.

Become part of a trilateral online course between Germany, South Africa and Kenya that will equip you with the skills and competences to use sport as an educational tool for sustainable development.

To apply, you must:

- be between 18-27 years.
- be from Germany, South Africa or Kenya.
- be connected to an organisation (such as a sports club, youth programme or similar).
- be interested in handball.
- be able to speak and understand English (not be perfect).
- be available from Aug to November weekly (for workshops).

Benefits for you:

- get to know like-minded youth from other countries and be part of an international network.
- develop joint projects and implement on-site with peer-to-peer support.
- gain new skills: sport coaching (handball), youth development and online tools.
- inter-cultural experiences.

Application process:

- step 1: submit the attached form by 30th July at 16h00 local time.
- step 2: you will be interviewed via Zoom by the selection committee.
- step 3: if selected for the exchange, you will be notified by email.
- step 4: provisional start weekend: 13/15.08.21.
